“Working at the Heart of the Community”

Blackpool Council

Blackpool City Learning Centre

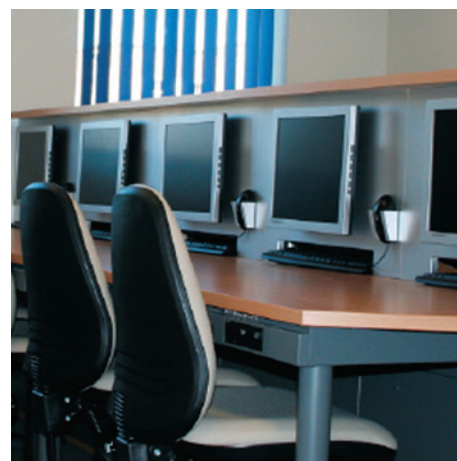

Blackpool City Learning Centre is a state of the art technology, training and resources centre, using ICT to raise standards and enhance both learning and teaching for schools and the local community.

The Centre contains 2 large ICT training rooms, using both Windows based PC's and Apple Macs, with room for up to 30 learners. There is also a smaller ICT room containing 11 computers.

There is a professional standard broadcasting studio and radio station, which can be used by schools or hired out to local community groups with a media team that can record your event.

There are meeting and conference facilities available, catering from 10 to 100 delegates. Our In-house catering department can provide for all your needs.

The Centre is situated on Bathurst Avenue, Grange Park. It houses a public library and Cyber Cafe with free internet access and wi-fi access via Wireless Blackpool which is available to all.

Please contact us on 01253 478301 if you would like further information about using the facilities – you can also visit our website www.blackpoolclc.com
